Owing to the universal favor with which the Drake Tie was received last season, the Company were unable to meet the demand, but they now, and will hereafter, be prepared to furnish them in any desired quantity. The merits of the DRAKE BUTTON TIE, the Company think, surpass those of any now offered to the planter. For simplicity of construction, durability and strength, it has no superior. Either side of the band being equally available for buttoning, it has an ease and rapidity of adjustment that can be claimed for no other Button Tie.

The DRAKE BUTTON COTTON-TIE CO. are also prepared to furnish the BRARD, or LIGHTNING TIE, so long and favorably known to the public, upon the same terms and at the same prices as the DRAKE TIE.
